

## **Dynacons listed in Financial Times High-Growth Companies Asia-Pacific 2026 for the Fifth Time**

**Mumbai, India- May 13, 2026**

Dynacons, a leading innovator in technology solutions, proudly announces its successful inclusion in the prestigious Financial Times High-Growth Companies Asia-Pacific 2025 for the fifth time on this prestigious ranking. This milestone marks a significant achievement for the company, reinforcing its strong growth trajectory and leadership in the region's technology landscape.

The prestigious annual ranking, compiled by Financial Times in collaboration with Statista, identifies high-growth companies across the Asia-Pacific region based on robust revenue growth and consistent financial performance over a multi-year evaluation period. Dynacons' continued presence on this list highlights its ability to scale responsibly while delivering measurable value to enterprises across industries.

The research spans tens of thousands of companies across the Asia-Pacific region, with strong representation from sectors such as fintech, financial services, insurance, and e-commerce, while IT and software services emerge as the most prominent sector—underscoring the critical role of technology-led organizations in driving regional growth. The compiled list celebrates companies that have demonstrated resilience, adaptability, and sustained momentum despite global economic volatility.

Dynacons' inclusion in this distinguished list is a testament to its ability to consistently deliver value, scale operations, and support enterprises in achieving their digital transformation goals. As Dynacons celebrates this achievement, it remains focused on accelerating its growth journey, expanding its capabilities, and delivering cutting-edge solutions that empower organizations across the Asia-Pacific region and beyond.
