

Dynacons recognized in the Financial Times Asia-Pacific High-Growth Companies 2022 List for the third time.

Mumbai, India –June 01, 2022

We wish to inform that Dynacons Systems & Solutions Limited has been recognised at the 428th position in the Financial Times list of Asia Pacific High Growth Companies 2022 released by Financial Times in partnership with research firm, Statista.

Dynacons has been ranked for the third time alongside major technology players. The research considered businesses in sectors ranging from fintech, property, advertising, support services and ecommerce, technology was the most represented sector.

The Financial Times Asia-Pacific High-Growth Companies list considered companies based in 13 of the region's more -developed markets: Australia, Hong Kong, India, Indonesia, Japan, Malaysia, New Zealand, the Philippines, Singapore, South Korea, Taiwan, Thailand and Vietnam. According to Financial Times, the ranking is created through a complex procedure aided by thorough research, calculation, and evaluation of revenue data.

"We are excited to be featured among the trend setters of the Asia Pacific region. Our deep domain expertise in the industries we serve is central to our ability to understand our customers' challenges and design effective solutions to address them. We attribute this success to our technology expertise, global delivery capability and full services portfolio which enables us to deliver high quality, high impact solutions leveraging the latest technologies to customers across multiple regions and industry verticals. This continued recognition validates our commitment to helping our clients align their technology initiatives with their business goals." commented Mr. Parag Dalal, Executive Director of Dynacons Systems & Solutions Limited.
