

Dynacons wins ChannelWorld premier 'Hall of Fame 2021' award

Mumbai, India, July 21, 2021

Dynacons Systems & Solutions is conferred with 'ChannelWorld Premier Hall of Fame 2021' award presented by Dell Technologies for displaying exemplary business leadership in a rapidly transforming digital landscape. Channel World is published by IDG – the world's largest IT Publication, Research & Event Company present across 90 countries.

ChannelWorld 'Hall of Fame' Special Awards by IDG, instituted in 2012, recognizes channel partners whose consistent growth has made a profound difference year after year. These channel partner companies are the 'torch bearers' and fast-growing companies of India's IT channel community. These partners have helped their customers' improve infrastructure (on premise and cloud), enhance security posture and application performance, empowered collaboration, while helping to control costs, enhance productivity, and improve constituent services. These channel partner companies have truly transformed their customers' digital transformation journey with their domain expertise, new-age technologies and robust OEM relationships.

The Company was also named as a Premier Honoree 2021 as part of the Premier 100 awards.

"2020 has been a notoriously famous one, especially for businesses across the world. However, we kept our engines going by focusing on financial well-being, service delivery infrastructure, innovation, and our employees' safety. Our innovation and improvisation made us resilient to constantly changing business environment. ", said Mr. Parag Dalal, Executive Director at Dynacons.
