

Dynacons ranked in The Financial Times: High Growth Companies Asia Pacific 2021

MUMBAI, India – June 01, 2021

We are happy to announce that Dynacons Systems & Solutions Ltd. has occupied 323rd position in the Financial Times list of High Growth Companies Asia Pacific released by Financial Times of United Kingdom in partnership with Nikkei Asia.

Dynacons has been ranked in the list of High Growth Companies Asia Pacific 2021 by The Financial Times alongside major technology players for its strong, organic and sustainable growth. This is an initiative by Financial Times (UK) and Nikkei Asia to applaud and recognize enterprises that are the accelerators of the given economy and contribute heavily to the economic growth despite the adverse economic conditions. According to Financial Times, the ranking is created through a complex procedure aided by thorough research, calculation, and evaluation of revenue data.

Commenting on the development, **Mr. Shirish M. Anjaria, Chairman cum Managing Director of the Company** said, "We are excited to be featured among the trend setters of the Asia Pacific region. We attribute this success to our technology expertise, global delivery capability and full services portfolio which enables us to deliver high quality, high impact solutions leveraging the latest technologies to customers across multiple regions and industry verticals. We have invested heavily in building capabilities in order to meet the evolving needs of our clients for innovative, best-of-breed solutions. Our deep domain expertise in the industries we serve is central to our ability to understand our customers' challenges and design effective solutions to address them. This continued recognition validates our commitment to helping our clients align their technology initiatives with their business goals."
