

Dynacons joins the Global IT Alliance (GITA) Network.

Mumbai, India, May 05, 2021

We are happy to announce that Dynacons Systems & Solutions Ltd has been selected to be an Alliance partner in the Global IT Alliance (GITA).

GITA is a global alliance of validated IT companies united by their shared goal of offering customers consistent and exceptional service quality in their cross-border projects. The Global IT Alliance is comprised of six partners with over 130 sites spread across 24 countries on all continents, namely Agilant (USA), Bechtle (Europe), Compucentro (Mexico), Data#3 (Australia), HKBN JOS (Hong Kong, China, Macau, Malaysia, Singapore and other parts of Asia), as well as Microware (Brazil and other countries in Latin America). Each GITA partner delivers market-leading solutions and services to customers in their respective region, while also being able to leverage a broader portfolio of capabilities through the international network.

GITA Alliance Members are unsurpassed in IT solution planning/delivery/support, are positioned for global expansion, and consistently put customers first. The Members operate in tandem as an alliance with consistent methodologies, and forward-looking goals. **The GITA Mission** – to Provide Global Reach with Local value, service and experience to enable successful IT solutions for multinational organisations.

Joining GITA as an Alliance partner will offer Dynacons a global platform for offering solutions to their customers and will also allow them to work on the opportunities brought by the other GITA members in India.

“We are very excited to add Dynacons to the Global IT Alliance. We continue to expand our global reach, now in India with Dynacons, we can address so many global customers in one of the most significant tech hubs of the world. The exceptional team at Dynacons, their service, solutions and innovation, mirrors perfectly with all of other GITA members.” Emery Geosits – Executive Director at Global IT Alliance

Commenting on the development Mr. Dharmesh S. Anjaria, Executive Director of the Company, said “We are very excited to be part of the GITA Network. This helps us serve Customers on a Global landscape simplifying IT deployments and offering a consistent experience
