

**Dynacons recognized as part of the Deloitte Technology Fast 50 India 2019. MUMBAI, India – December 02, 2019**

**Dynacons Systems & Solutions Limited** today announced that it has been recognized as part of the Deloitte Technology Fast 50 India 2019, a ranking of the 50 fastest growing technology companies in India. Rankings are based on percentage revenue growth over three years.

"It is an honour to be recognized among the fastest 50 rapidly growing technology companies in India by Deloitte. We have invested heavily in building capabilities in order to meet the evolving needs of our clients for innovative, best-of-breed solutions. We are seeing a tremendous amount of growth across the systems integration and managed services areas, and are confident that our leadership and innovation in this space will continue to propel our growth. This continued recognition validates our commitment to helping our clients align their technology initiatives with their business goals." said **Dynacons Systems & Solutions Limited's CMD, Mr. Shirish Anjaria**.

"Making to the Deloitte Technology Fast 50 list is commendable in today's highly competitive, fast-changing technology industry", said Rajiv Sundar, Program Director - Technology Fast 50 India 2019 and Partner, Deloitte India. "We congratulate **Dynacons Systems & Solutions Limited** on being one of the 50 fastest growing technology companies in the India. Achieving sustained revenue growth of 92% over three years is a tremendous achievement, Dynacons phenomenal growth puts it in excellent company."

**Deloitte Technology Fast50 India program selection and qualifications**

The Deloitte Technology Fast50 India program, which was launched in 2005, is conducted by Deloitte Touche Tohmatsu India LLP (DTTILLP), and is part of a truly integrated Asia Pacific program recognising the India's fastest growing and most dynamic technology businesses (public and private) and includes all areas of technology - from internet to biotechnology, from medical and scientific to computers/hardware.

The program recognises the fastest growing technology companies in India based on their percentage revenue growth over the past three financial years.

Disclaimer: All the facts and figures that talk to our size and diversity and years of experiences, as notable and important as they may be, are secondary to the truest measure of Deloitte: the impact we make in the world. So, when people ask, "what's different about Deloitte?" the answer resides in the many specific examples of where we have helped Deloitte member firm clients, our people, and sections of society to achieve remarkable goals, solve complex problems or make meaningful progress. Deeper still, it's in the beliefs, behaviors and fundamental sense of purpose that underpin all that we do. Deloitte globally has grown in scale and diversity—more than 312,000 people in 150 countries, providing multidisciplinary services yet our shared culture remains the same.
